and Anantapur Soonas the replies
are received a consolidated
application will be made for cost
and the sanctioned amount
will be distributed on the basis
of the average expenditure
incurred on postage and telegraph
charges by the several subordi-
nate officers. The additional
allotment now proposed to be
sanctioned from the reserve at
the disposal of the Board will
be taken into consideration at
the time of the distribution.

To Secretary

Kindly see Comm's remarks in para 4 of the note & from the statement in para 5 of Bom Pr. 1385 ms dated 27.6.1 it will be seen that the actual expenditure in South Kanara for 1914-18 ~~period~~ was as follows

	Rs
1914 - 1915	280
1915 1916	246
1916. 17	252
1917-18	313
1918-19	284

~~It has therefore~~ Although the amount was Rs 300 was the normal annual expenditure during the quinquennium and there does not seem to be any other explanation available here the Collector may perhaps be requested to report upon it if approved.

As the postal and telegraph rates were raised from the 1st January 1918 the estimate

in 1919-20 was Rs. 387. 5. 2 and in the present application for additional allotment the Collector states that the increased expenditure is also due to enhanced rates of cart hire now obtaining in the district

in the rates of cart.

16.11.20 17.11.20 hire prevailing in the district in other than in my home taluq some other taluqs prevailing in more other areas (except of course the two other west coast districts of Malabar and the Nilgiris)
